EBCS LICENCE RENEWALS 2021-2022

Dear Sir / Madam

The EBCS Executive has determined that the cost of licence renewals for the forthcoming year (to the 30th September 2022) will be held at £6 (six pounds) per registered coach.

This very significant reduction has been made possible due to the continuing 'voluntary nature' of the work of your Executive Committee (no honoraria payments are made and only legitimate costs are refunded etc).

Civil liability insurance cover – legal liability to Third Parties as defined in the Policy continues to be available to all registered members with a Retroactive Date of the 1st January 1985. This cover is not available elsewhere on the same terms.

As I note that last season you paid for coaches working at your club. I am enclosing a multiple renewal form for this purpose. A letter of receipt can be supplied.

Any per head fees in excess of £6 will be retained and set against fees for future years unless a refund is specifically requested

Yours Sincerely

Carol Watt-Sullivan
