## **EBCS LICENCE RENEWALS 2021 - 2022**

Dear Colleague

It has been a difficult year all round with normal play and activities curtailed by the Coronavirus pandemic, with limited play only being possible for the first part of the summer. I hope you are all keeping safe, well and secure.

However, it is now the time to renew your EBCS coaching license and the EBCS Executive has determined that the cost of licence renewals will remain at £6 (six pounds) per registered coach for the forthcoming year (to the 30<sup>th</sup> September 2022).

If you pay by Standing Order you are asked to advise your bank accordingly (a replacement standing order is enclosed for your convenience). If you do not already indicate your licence number on the Order Form can I ask that you do so. Doing so will speed up reconciliation of renewals and despatch of relevant paperwork.

If you make a direct payment by cheque or BACS a form is attached for your renewal – alternatively, you may prefer to set up a Standing Order?

If your Club pay for your licence a form will have been sent to the last known respondent to enable them to make the appropriate payment.

The very significant reduction has been made possible due to the continuing 'voluntary nature' of the work of your Executive Committee (no honoraria payments are made and only legitimate costs are refunded etc).

Civil liability insurance cover – legal liability to Third Parties as defined in the Policy continues to be available to all registered members with a Retroactive Date of the 1<sup>st</sup> January 1985. This cover is not available elsewhere on the same terms.

Any per head fees in excess of £6 will be retained and set against fees for future years unless a refund is specifically requested

Yours Sincerely
